A Bit About Events

Elbow Valleys' mandate has been to keep the community as the kind of neighbourhood our parents all grew up, knowing, where neighbours know and look out for each other.

That's the way a real community is built.

We are creating all these events to help gather every one of all ages in our community together. To bring back that old community sense we once had.

The Easter egg hunt and movie night was a huge success.

Special thanks to Richmond Road Boston Pizza for sponsoring our event

Stay tuned for more movie nights with the kids
